Appendix 3 to the shareholder's motion:

GROUNDS FOR DRAFT RESOLUTIONS

The proposed amendment to the Articles of Association is related to the new investment strategy announced by TDJ S.A., the parent, according to which TDJ S.A. may reduce its indirect interests in the existing portfolio companies to 20-40% in the future to diversify its portfolio while retaining control over the companies.

TDJ S.A., through TDJ Equity I Sp. z o.o. ("TDJ"), has controlled FAMUR S.A. for more than a decade, providing it with financial support and assistance in such areas as business development, foreign expansion and strategy implementation. The presence of a long-term anchor shareholder has been positively reflected in the Company's activity and the position it has achieved on the market. During the period, FAMUR S.A. increased its consolidated revenue from PLN 68.2m in 2003 to PLN 1.5bn in 2017 and successfully carried out a series of acquisitions, which TDJ supported both financially and organizationally on numerous occasions. One of the important moments in the development of FAMUR S.A. was the acquisition of control of KOPEX S.A. TDJ S.A. was actively involved in the transaction, assumed the risk related to the restructuring of KOPEX in the most challenging initial phase of the process, and then helped stabilise KOPEX's liquidity and organisation in the period from December 2016 to June 2017. The active participation of TDJ S.A. and its subsidiaries in these transactions was important to the success of FAMUR S.A. and had a positive effect on FAMUR S.A.'s and all its shareholders' situation.

The proposed amendments to the Articles of Association are intended to enable the existing shareholder to hold control of FAMUR S.A. by granting TDJ personal rights enabling it to appoint half of the Supervisory Board members and the majority of the Management Board members as long as TDJ holds at least 20% of FAMUR S.A.'s share capital.

In view of the above, it is the mover's opinion that the proposed amendments to the Articles of Association will enable the Company to protect its stability and predictability, and to continue its development plans, all of which is consistent with the interests of the Company and all its shareholders.

Additionally, TDJ Equity I Sp. z o.o. requests that dividend of PLN 252,895,813.28 be paid, taking into account the stable financial condition of FAMUR S.A. and its financial results. In the shareholder's opinion, the proposed dividend will not adversely affect FAMUR S.A.'s ability to implement its development plans.
