Section 5

This Resolution shall come into force as of its date, with the proviso that the share capital increase and amendments to the Company's Articles of Association shall take effect as of their entry in the National Court Register.

The resolution has been / has not been passed.

Grounds:

According to draft Resolution No. 3 of the Extraordinary General Meeting of FAMUR Spółka Akcyjna

of Katowice to increase the Company's share capital, the Company's share capital is proposed to be increased from PLN 4,864,700.00 by no less than PLN 0.01 and no more than PLN 729,705.00. The issue is to be effected by way of a private placement, i.e. by offering the new shares solely to the designated investor, TDJ Equity I Sp. z o.o. Thus, the issue and the offering of Series D and Series E shares will not be a public offering within the meaning of Art. 3.1 of the Polish Act on Public Offering, Conditions Governing the Introduction of Financial Instruments to Organised Trading, and Public Companies of July 29th 2005.

Considering the nature and structure of the Company's shareholder base, duration and degree of formality, as well as costs associated with different types of share subscriptions, the best way of increasing the Company's share capital is a private placement with the existing shareholders' pre-emptive rights waived in full, and offering the shares to an investor interested in equity involvement in the Company – which is the fastest and least costly procedure of increasing the share capital.

At this point, it should be noted that TDJ Equity I sp. z o.o. plans to sell some of its shares in FAMUR S.A. through offerings made to selected investors. This will allow stock market investors to purchase FAMUR S.A. shares that are already traded, without the need for an admission procedure. The plans are to sell up to 15% of the shares, but not more than the number of shares to be issued in connection with the planned capital increase. It should also be noted that TDJ Equity I sp. z o.o. intends to subscribe for such number of shares in the increased share capital of FAMUR S.A. that will be equal to the number of shares to be sold by TDJ Equity sp. z o.o. to stock market investors.

TDJ Equity I sp. z o.o. proposes that the issue price per share of Series D and Series E shares be equal to the sale price of one share in FAMUR S.A. sold by TDJ Equity I sp. z o.o. on the regulated market.
