

The Management Board announces that in the afternoon on May 8th 2017 it received a request from TDJ Equity I sp. z o.o. (the "Shareholder") to convene an Extraordinary General Meeting, with the agenda including a resolution to increase the Company's share capital. The purpose of the requested share capital increase is to ensure successful completion of the Company's share issue in order to raise capital, while ensuring the liquidity of the issue shares. The Shareholder proposed to sell a part of its existing shareholding (by way of invitations addressed to selected investors) with simultaneous subscription for the new shares by TDJ Equity I sp. z o.o. The Shareholder plans to sell up to 15% of the shares, but not more than the number of shares to be issued in connection with the planned capital increase. TDJ Equity I sp. z o.o. has declared that it intends to acquire the number of shares in the increased share capital of FAMUR S.A. exactly equal to the number of shares to be sold by TDJ Equity sp. z o.o. on the stock exchange, at the price corresponding to the price at which the shares would be sold.

The Shareholder's request together with the other materials will be published on the Company's website.

Shareholders holding shares registered in multiple securities accounts may appoint a different proxy to vote the shares in each of the accounts.

- b) Members of the Company's Management Board and Company employees may act as shareholders' proxies at the General Meeting. If a member of the Management or Supervisory Board or a Company employee is appointed proxy for the General Meeting, the appointment will only be valid for that General Meeting. The proxy must inform the shareholder of any circumstances that give or may give rise to a conflict of interest, and must vote in accordance with the shareholder's instructions. Granting further powers of proxy is not permitted.

If a proxy voting form is to be used (the form is available from <http://www.famur.com>), the proxy must deliver the form to the Chair of the General Meeting before voting starts on the resolution which according to the shareholder's instructions is to be voted on by the proxy using the form. The Chair of the General Meeting will inform the General Meeting that a vote has been cast using a proxy voting form, which will provide the basis for counting it towards votes cast on the resolution. Proxy voting forms used to cast votes during the General Meeting will be attached to the minute book. Shareholders may, but need not, use the proxy voting form available from the Company, and casting valid votes by a proxy is not conditional on using the form.
